- 13% Gemini Vineyard, Laurelwood AVA

Chemistry

- 14.2% Alcohol
- 6.1g/L TA
- 3.61pH

Production Notes

The Willamette Valley Pinot Noir is a multi-vineyard and multi-appellation blend. The intent of this wine is to capture the essence of the vintage. Like canning preserves in my kitchen, I see winemaking as a preserving of the harvest. I look for a sweet fruit aroma to pull you into the glass followed by all of the nuances that make us love Pinot Noir. A bright acid profile is key to keeping the palate vibrant, pairing the wine with food and letting the flavors linger long after the swallow. Balance creates a dynamic wine that is exciting to drink and that pairs well with a variety of foods.

Vineyard Notes

The vineyard sources for this wine vary by soil, altitude, location and age. They all are exceptionally expressive sites farmed by conscientious stewards of the land. There is a combination of Pommard, 667, 777, 115, Upright (828), Pinot Gamay and Mariafeld (23) clones in this bottle.

Vintage Notes

The grapes were carefully sorted and mostly destemmed. The small-lot fermentations were un-inoculated and punched gently hand. Once dry, the must was pressed and sent to barrel after a short settling period. The wine was aged in completely neutral French cooperage for the duration of its elevage. The final blend contains 26% whole cluster. The wine was bottled after a pandemic induced delay in July, 2021
