### **2015 Willamette Valley Pinot Gris**

This dry Pinot Gris is made from grapes grown on hillside vineyards of the Northern Willamette Valley. The wine is fermented at a low temperature for a period of many months in order to capture the delicate aromas and complex flavors that are the hallmark of a classic Gris. This bottle is lively enough to enjoy on its own, yet has enough depth and weight to pair with whatever you have planned for dinner tonight.

Love & Squalor is an independent winery based in McMinnville. We are celebrating our 10th year of iconoclastic winemaking.
