2013 Willamette Valley Riesling

Riesling is the most exciting white grape today. It has complexity, age-ability, diversity, and it just tastes so good. This bottle is fermented almost dry, with just a hint of sweetness to balance out the wine. Sourced from some of the oldest vineyards in the Willamette Valley, the wine displays depth and longevity and mouth-watering acidity. This is not your Grandma's Riesling.

Love & Squalor is an independent winery based in McMinnville. We are celebrating our 10th year of iconoclastic winemaking.
